### ELDERLY WOMEN TOO BITTER TO SWALLOW

Tell Others How They Were Carried Safely Through Change of Life.

Durand, Wis.—"I am the mother of fourteen children and I owe my life to Lydia E. Pinkham's Vegetable Compound. When I was 45 and had the Change of Life, a friend recommended it and it gave me such relief from my bad feelings that I took several bottles. I am now well and healthy and recommend your Compound to other ladies."

—Mrs. MARY RIDGWAY, Durand, Wis.

A Massachusetts Woman Writes: "Blackstone, Mass.—"My troubles were from my age, and I felt awfully often for three years. I had hot flashes and frequently suffered from pains. I took Lydia E. Pinkham's Vegetable Compound and now am well."

—Mrs. PIERRE COUNOVER, Box 239, Blackstone, Mass.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness, should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through this crisis.

### FOR A MERCHANT MARINE WITHOUT FEDERAL COMPETITION.

Again, we must build up our merchant marine. It will not aid to put the Government into competition with private owners. That, it seems to me, is a counsel of folly. A surer way of destroying the promise of our foreign trade could hardly be devised. It has well been asked—Does the Government intend to operate at a profit or at a loss? We need the encouragement and protection of Government for our shipping industry, but it cannot afford to have the Government as a competitor.—From Mr. Hughes' speech of acceptance.

### MANANA

Manana, which is Mexican for "watchful waiting," is the Democratic keynote in the campaign. The Wilson drive is to begin "sometime" after September 1; but no definite engagements have been made, it is announced, for him to commence making political speeches. He has tentative engagements to make some Western visits about the middle of September but nothing positive. Plans are being formulated for carrying on a campaign to capture the woman vote of the country, but who will make the speeches on this phase of the controversy has not been determined. It had been expected that Mr. Bryan would speak in the Maine campaign, but it is now believed he cannot do so, but will make some speeches later. And so it goes. Watchful waiting will prevail while, in the meantime, Mr. Hughes is carrying on a positive campaign and arousing the entire Western country.

The convictions of some of our statesmen seem to depend on the country that their constituents were born in.

### Grape-Nuts with Cream

not only nourishes and sustains body and brain, but tastes mighty good.

The sweetness of long-baked whole wheat, blended with the delicate taste of malted barley is a wonderfully delicious flavor.

### DOES BACKACHE WORRY YOU?

Some Maysville People Have Learned How To Get Relief.

How many people suffer from an aching back? How few know the cause? If it hurts to stoop or lift—If you suffer sudden, darting pains—If you are weak, lame and tired—Suspect your kidneys. Watch for nature's signal. The first sign may be headache or dizziness. Scanty, painful, or too frequent urination. Nervousness or a constant, dreading feeling. Avert the serious kidney disease. Treat the weakened kidneys with Doan's Kidney Pills. A remedy especially for sick kidneys.

Gratefully endorsed by residents of this locality.

Mrs. Alice Bradford, Hotel Bradford, Augusta, Ky., says: "My kidneys were in bad shape and I was nervous and dizzy. My head ached and I felt weak and tired in the morning. A neighbor suggested taking Doan's Kidney Pills and I used some. They made me feel very much better. I advise anyone suffering as I did to use Doan's Kidney Pills."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Bradford had. Foster-Milburn Co., Props., Buffalo, N. Y.

In cases like these it is our sovereignty which is insulted, our flag which is scorned.

There is not a self-respecting Government in the world which would submit to such outrageous scorn and abuse and violation of its territory and sovereignty.

No wonder that in Europe, as in Mexico and as in Asia, we are beginning to be looked upon as a nation of cowards whom anybody can safely spit upon and kick.

God help us! It seems that the rest of the world does believe that we are too proud to fight—and has reason for the belief!

### ANOTHER TRIP IS PLANNED FOR THE DEUTSCHLAND

Berlin, August 25—Preparations for another voyage of the submarine Deutschland to the United States are well under way.

Freight is being received for this trip. The amount of cargo now ready is larger than had been expected, the Overseas News Agency says. All the members of the crew have expressed readiness to sign for the next voyage.

Nearly 100,000 marks has been contributed by a number of wealthy men of Bremen for presentation to Captain Koenig and his crew. A book is being written by Captain Koenig describing his voyage to the United States and return.

A wild demonstration greeted the Deutschland when she arrived at Bremen today. Many visitors and Government officials have arrived at Bremen for the reception to be tendered Captain Koenig and his crew.

The trip up the Weser was marked by the cheering of crowds on the shores and by the sounding of the whistles of beflagged river craft.

### VOYAGE OF DEUTSCHLAND HAS MADE GOOD IMPRESSIONS IN AMERICA, AMBASSADOR SAYS

Berlin, August 28—United States Ambassador Gerard is quoted in the Muenchener Zeitung as declaring that the voyage of the merchant submarine Deutschland is the most important event in a long time in the relations between Germany and the United States.

The Ambassador is quoted: "Americans are convinced by nothing so quickly as success, and the Captain and builder of this ship scored a great political success in America for the German people. The impression made by the Deutschland's arrival in American waters has proved strong and enduring, and now that the return voyage has been made safely under probably more difficult conditions it will be harder than ever for persons who try to depreciate German achievements to convince my countrymen."

The common public objection to the dangerous stunts shown in the movies seems to be on the ground that they are fakes and the actors didn't risk their lives as they should have been doing.

The European nations went to war to get more territory to accommodate their population, and they are accomplishing the same result by killing off their population to fit their territory.

The school boy's idea of Preparedness is a lump of pain to rub on the hands before receiving a furling.

### IF IT'S ROOKWOOD IT'S THE BEST COFFEE

Some time ago, a consideration of our economic conditions and tendencies, of the position of women in gainful occupations, of the nature and course of the demand, led me to the conclusion that the granting of suffrage to women is inevitable. Opposition may delay, but in my judgment cannot defeat this movement. If women are to have the vote, as I believe they are, it seems to me entirely clear that in the interest of the public life of this country, the contest should be ended promptly. I favor the vote for women.—From Mr. Hughes' speech of acceptance.

### PROTEST AGAINST ENGLAND'S TOBACCO BLACKLIST MADE BY GROWERS OF DARK PATCH

Hopkinsville, Ky., August 25—Former protest to Congress against the re-establishment of the British black list on tobacco to Germany and her allies, on the grounds that this would mean a loss of millions of dollars in the sale of the crop now ripening to the dark tobacco growers of Kentucky, Tennessee, Virginia, North Carolina and Pennsylvania, was made tonight at a mass meeting of business men, farmers and tobacco dealers.

Telegrams were sent tonight to Clarksville, Paducah, Mayfield, Madisonville, Henderson, Springfield, Tenn., and Owensboro, urging the tobacco men and farmers there to take similar action and to send delegations to a conference to be held at Washington next Monday.

Messages also were sent Senator Ollie James and all other Kentucky and Tennessee members of Congress. A telegram to Senator Martin, of Virginia, not only sought his support, but asked that he invite the growers of his state to Washington to attend the conference.
